STURTEVANTS MOUNTAIN OUTFITTERS

The Sun Valley area's most personalized guided fly-fishing experience. We limit the number of trips booked on any given day - and anglers per trip - to allow us to match each guest, novice to expert, with an appropriate personal guide.

Sturtevant's Mountain Outfitters is a licensed, bonded, and insured equal opportunity employer operating under special use permits from the Salmon-Challis National Forest, Sawtooth National Forest, and Bureau of Land Management.

outstanding natural fisheries

The Big Wood River, Silver Creek, the Little Wood, Warm Springs Creek, Copper Basin, Trail Creek, Wild Horse Creek, and the Big Lost River. Each has unique scenery, character, challenge - and diversity enough to keep an angler engaged for a day, a season, or a lifetime.

The fish, The bugs

Our mountain fresh waters abound with aquatic and terrestrial insects which provide an ever changing trout buffet. An angler becomes entranced (occasionally baffled) with the myriad choices of flies... a Sturtevant's Mountain Outfitters guide helps you find the most productive patterns and presentation, so you can focus on the fish!

He enters into its very existence."*]

guide program

Our trips are ideal for one or two fly fishers (a third may be added for a modest surcharge) and include lunch, flies, and transportation... everything except sales tax, license, equipment rental, and gratuities. Our angling is all walk and wade, and/or float-tube fishing. Guests can meet their guide at either of our fishing shops; Sturtevant's on Main Street in Ketchum, or Sturtevant's Hailey.

full day trips

Full day trips provide the best opportunity to test different methods, experience multiple insect hatches, and explore various waters. A favorite option is our spectacular Big Lost River outing, requiring a full day commitment (well worth it just for the scenery!) as you'll be driven over Trail Creek Pass into the historic Copper Basin area.

3/4 Day trips

This outing normally includes the Big Wood River or Silver Creek and is suitable for a wide range of fishing skills. The memorable trico or brown-drake hatches on Silver Creek are something to experience, as is the afternoon hopper fishing on the Big Wood!

evening trips

Comfortable summer evenings create a prime fishing opportunity on both the Big Wood River and Silver Creek. Evening trips allow avid anglers to enjoy time with the family during the day - while also capturing some of the most productive hours on the water. What a life!

Tailored programs

We're pleased to offer concentrated programs including Fly Girls Women's Fly-Fishing School, Silver Creek Masters Course, Entomology, Fly Tying, Kid's Adventures, free Casting Clinics, and customized group events and retreats. For seasonal schedules visit www.fishsunvalley.com
